Dear Name [be specific—you likely can find the person's actual name],

I am writing to inquire about the opening for [Contract Senior Android Engineer (Native)].

I offer 5,5 years of experience in mobile development and excellent [insert related skills that will help you perform the job here] skills, which should make me a strong candidate for this opening.

The top portion of my attached resume also highlights my career profile and accomplishments that are in alignment with your position.

I would welcome the opportunity to speak with you if you feel I would be a strong candidate for this or other positions within your organization.
